Ready to KILL!

DELICIOUS!!

Home Economics

Home Economics students were treated to a Taste-Testing experiment featuring several kinds of recipes.

Emily Lovett, home economics teacher, demonstrates one step in the preparation of **The Main** dish — how to stuff pork-chops. Some of her students watch attentively, as they will be trying it themselves.

ART ART ART ART ART

Mr. Sills, Art Instructor

Kathleen Thomas

Lisa Byrd

The Philosophy of the art department at Bethel High School is based on the belief that the home, the school, and the community are basic institutions which are jointly responsible for the development of the complete child.

The basic concern of the art program is to give each student the opportunity to become involved in the visual-aesthetic experience. The visual arts are largely concerned with seeing, feeling and developing creative visual relationships. The art program provides opportunities for the adolescent to develop to his fullest creative potential.

THAT'S THE WAY IT WAS

Queen .. MARY JANE GLEATON

Mary Jane Gleaton was crowned Homecoming Queen at half-time activities during the Phoebus game, October 13, 1978.

The traditional parade was held preceding the homecoming game. DECA received a Trophy for the best-all-around float, AISIA received first place for the club entry, and Sandy Core for best individual.

BRUINS UNITE

One of the few things that students do together throughout the year is participate in pep assemblies. The enthusiasm that radiates from a pep assembly delivers its greatest impact, not to atheletic success, but to a healthy school spirit. The pep assemblies allow the students to see what the spirit of being a Bruin is, and what it is like to belong, and to be a part of high school. For these reasons the pictures are displayed here so that one might remember their values.

THE LONG AND WINDING ROAD .....

SENIORS...

Senior Officers. Front Row, Left to Right. Vice-President, Timothy Buhler; President, Rodney Kiefer; Back Row, Left to Right: Treasurer, Jennifer Cowan; Secretary, Nina Dickens.

It has taken us a long time to reach our Senior year. There have been scores of long and winding roads, but we have made it. The year has passed us quickly and now it is at an end. The years we spent with all our friends at Bethel High School have been ones that will burn in our memories forever.

Symbols of the Past three years

What would you place in a time capsule to represent your high school years? Diet soda, running shoes, Star Wars and diplomas, college application forms, bubble yum, money, clogs, car keys and driver's license, rock music, that first paycheck, Achievement trophies, pictures of family and friends . . .

The most popular Time-capsule of the class of "79" was the year-book. Because the words, pictures and comments from teachers and friends can sum up all the favorite memories of high school. These were just a few of the items suggested by the seniors in the class of "79".

OPPORTUNITY ABOUNDS AT B.H.S.

Who ever said that school is boring must have never attended Bethel High School. At Bethel there is never a dull moment for those who have school spirit or are looking for something to get involved in.

The vast majority of students can usually be found cheering the football team on at every game.

Not only are there football games, but there are baseball and basketball as well as wrestling matches to attend.

There are thirty four clubs and organizations to choose from. There is something to interest just about everyone. There are service clubs and many others.

Besides clubs and sports Bethel offers many special activities every year. Among these are Homecoming, the Miss BHS Pageant, the Holly Ball, the Ring Dance, Senior Prom and the annual Bon Fire preceding the Hampton-Bethel Game.

Those who complain that there is nothing to do here should take a minute to review the opportunities available at Bethel and either get involved or quit complaining.

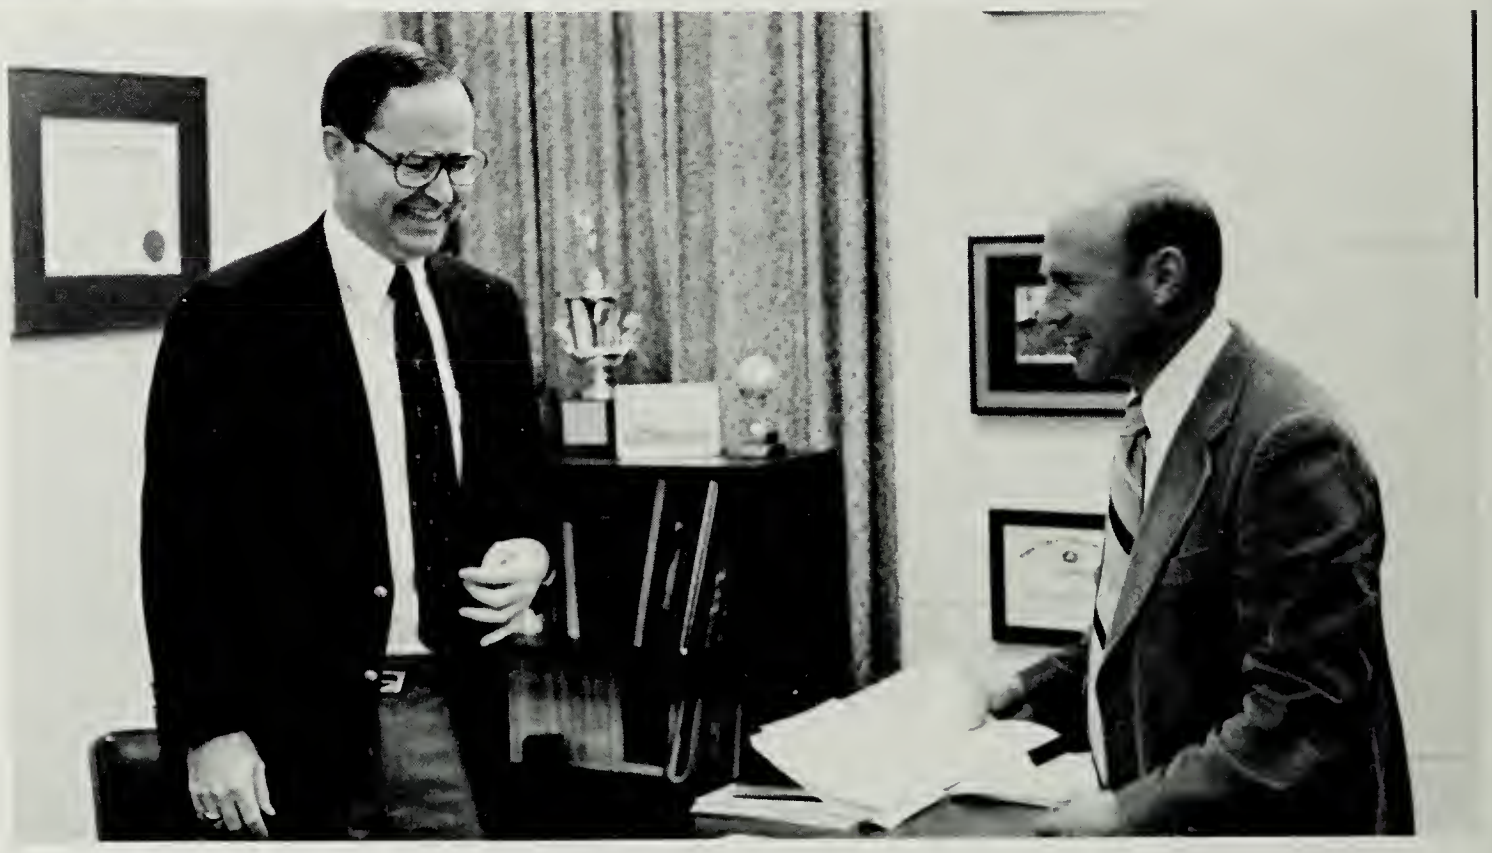
ADMINISTRATION

Mr. Dennis O. Gillikin, Principal

Principal, Dennis Gillikin, was aided by an administrative staff of three assistant principals. Mr. Rufus Gant, assistant principal for instruction, worked closely with guidance and department chairmen on student scheduling. He also conducted teacher observations. In charge of student activities, Mr. Amos West was the coordinator for club events. Mr. Bolen Shupe's job included the maintainance of the building. Both Mr. West and Mr. Shupe worked with boys discipline.



Responding to Mr. Shupe's joke, Mr. Gillikin laughs.

Yearbook Staff

Producing a yearbook is a lot harder than most people think. Layout sheets have to be drawn; pictures must be taken and organization of the finished product must meet deadline and close inspection. Many hours are spent each week preparing the layouts for publication and many people take time out of their afternoons for the yearbook. The production of a yearbook is fun, but a tremendous amount of hard time-consuming work goes into its production.

FOOTBALL

The 1978 season presented the varsity with its most competitive schedule ever. Playing six of the top ten teams in the state and defeating four of them is truly a credit to the staff and players. As a matter of fact, two of the teams we defeated were participants in the state semi-finals.

Bethel finished the year with six defensive shut outs. The defense which ranked #1 in the district and state was led by seniors, Mike London (Captain), Ronnie Spruill (Captain), and Shaun Gayle, a junior. Other standouts were Clarance Hawkins, Vic Morgan, Stanley Batten, Tracy Richardson (Captain), John Epps, and Frank Brown our punter. Underclassmen playing well were: Scott Windrow, William Wood, Teko Tillman, and Randy Spruill.

The Bethel offense which gained over 1600 yards and led the league in passing. Normally a ball control team, the Bruins used the passing of Mark Roberts, Lance Jackson, and Frank Brown to have the best completion percentage in the league. Outstanding senior performers were Tim Morgan, Lou Bartek (Captain), Ronnie Spruill, Paul Dunn, Charlie Johnson, Eric Taylor, and Matthew Marable. Underclassmen playing well were Ray White, Stevie Cooke, Tracy Carter, Jeff Lewis, David Waddell, Reggie Smith, and Oliver (O.J.) James.

The specialty teams were led by seniors Mike Arthur, Kurt Booker, and Eddie Williams.

In the annual Hampton Meed Bowl, Bethel Statistically dominated an undefeated, untied Crabber Team only to miss scoring opportunities halted by penalities — and resulted in a scoreless 0-0 tie.

Many players received honors for their play and a majority will participate on the college level with scholarship. Bethel placed two on the All-South Team (Ron Spruill and Lou Bartek) and one on the All American Team (Lou Bartek).

THE JV

The JV Bruin's really put it all together this year. The team, coached by Mr. Steve Dunn and Mr. Paul Macklin posted both the best defensive record and overall win-loss record (6-1) in Bethel's history.

"Our team was the best ever," said Coach Dunn. They had a good positive attitude and were very enthusiastic. Their team spirit was probably their biggest strength."

The Bethel Varsity is having a much improved season, with super play both defensively and offensively by Sylvester (Sly) Rainey. Sly is averaging 14 points a game through the 1st half of the season and is top rebounder. The only other player scoring in double figures is a Junior, Rodger Mason at 12 points per game. Rodger is the leading rebounder, followed closely by Senior, Mike London, and Mark Paquette. Leading the team in assists and steals is a Junior guard, Gene (Teko) Tillman. Kevin Smith is the only Sophomore on the varsity and was elevated to a starting position when Junior, Ricky Breeden broke his nose in the Menchville game and was lost for the season. Others contributing this year are Senior Guard, Larry Player and forward, Barry Holmes. Junior, Guard, Brian (Duke) Saucier is also seeing action. Halfway through the season the Bruins sport a 3-5 conference mark which has them one-half game out of 5th place. The top six teams qualify for the tournament.

The Junior Varsity Bruins experienced a learning season, improving individually and in team efforts. Outstanding performances from Bernard Dennis and Bradley Fullwood have and will improve the basketball program at Bethel. Rusty Order, William Powell, Eric Mangrum, Kevin Kelly, and Tarrin Travis will also make a big contribution to the win column next season.

The Bruin Wrestlers continue the winning tradition that we all associate with Bethel High School. Bethel finished the season with an 8 — 2 record. Outstanding wrestlers and all Seniors were Ronnie Spruill, Kevin Webb, Pat Cardwell and Grey Sours. The team member, who excelled was Ronnie Spruill. Ronnie was first in the district, first in the region, and placed third in the state. He made All-American Team and received a scholarship to the University of North Carolina

B.H.S. Track and Field

Bethel High School started its 1978-79 track and field season with two neophite coaches at the helm. Elton Morgan a product of the Newport News School System, took over the job as cross-country coach. Youth was the only adversity that coach Morgan had to overcome, but he was able to enjoy the feeling of success by defeating one of four opponents.

Paul L. Macklin has been given leadership responsibilities to coach the nationally boy's indoor and outdoor track program. In the sprint events: Reggie Breeden, Ranard West, Edward Williams, Oliver James, Ty Small, Gary Wilkins, Ramon Stewart, Earl Savage, Stephen Cook, Barney Stokes and Franklin Brown lead the way for the Bruins.

GYMNASTICS

Through hard work and many practice hours, the Girls Gymnastics team put forth one of its best efforts this past season. The team consisted of Juniors Ellen Beasley and Lorraine McCallay, Sophomores, Patti McClendon, Vicki Hilton, Karen Harton and Bridgette Hayes. The teams best all around gymnast during the season was Vicki Hilton and Junior Ellen Beasley participated in regional competition and finished 15th.

GIRLS BASKETBALL

Bethel High School's Varsity Girls' Basketball team has improved in the last couple of years. The team, known as the "Lady Bruins" had nine returns this year. These include Seniors, and co-captain Charlotte Cooper, co-captain Jessie Iverson, Zina Eley, Jessica Lynch and Deborah Johnson.

The Lady Bruins, after getting off to a slow start this season, worked long and hard to obtain a berth in the District Championship Tournament for the second time in the history of Bethel High School.

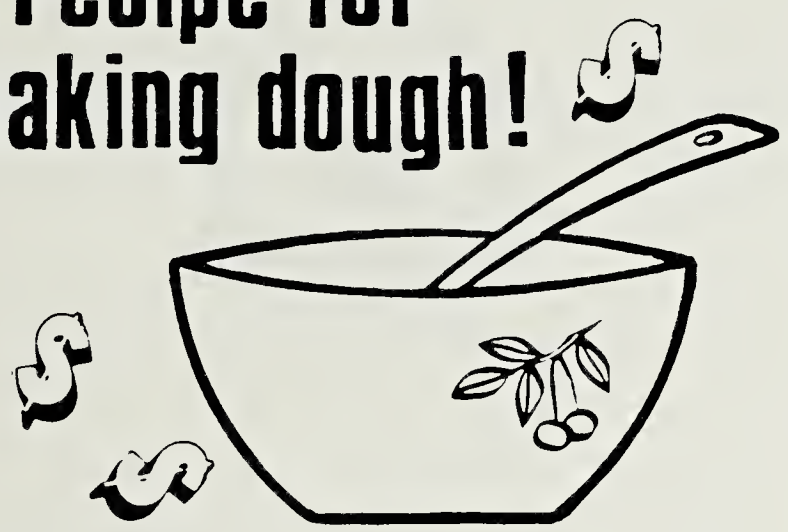
A recipe for making dough!



Are you concerned because you lack a savings program to provide money for emergencies, vacations, your children's education, retirement or other purposes? Here is a fool-proof recipe that will get you started from "scratch".

Put any loose change you can get your hands on into a cup. When you have accumulated $5 or more, come see us and start a "money pot" by opening a passbook savings account.

Then sweeten the pot with a couple dollars or more, on a regular basis.

You will soon develop a "saving" habit and you'll be surprised how much you can spare without affecting the way you live. You will also be surprised how fast the pot will grow as your money earns a nice 5% interest.

In time, you should be able to transfer your "dough" to a larger pot by putting it into one of our savings certificates that earn higher rates of interest. And, you'll never have to worry about losing your money since our savings accounts and certificates are insured up to $40,000.

Come see us and try this recipe. It never fails.
